Do you wish to ride Saturday (classical tests), Sunday (freestyle tests), or both?

Which level would you be able to demonstrate?

Riders will be selected based on their success riding a particular horse at least one level above the one they would be demonstrating. A panel of SFDA board members will select the riders, assuring that they have demonstrated success with the particular horse at the relevant level through participation in shows and/or clinics or other manner that the rider may choose to present (e.g., video).

***SFDA** will comply with all Covid-19 restrictions laid out by the governor of the state of New Mexico at the time of the event. **The event will be held inside the Buho arena unless prohibited, whereupon the event will be cancelled and all monies refunded.**
